Cell No.:

**Ex. 6 Personal Privacy (PP)**

Fax No.:

E-mail Address: oloughlin.connor@epa.gov

Proposed Project Location: Blades, DE. (General Right-of-Ways in the town of Blades, DE)

Nearest Intersecting road: Please refer to maps

### Description of Work:

Drilling (Geoprobe) adjacent to the right-of-ways in the town of Blades, DE.

-Site activity dates (August 1st to August 31st, 2018).

-EPA proposes installation of up to temporary nested wells in the grassy areas 1-4 feet off of the edges of the roadways in the town of Blades, DE. Several wells may be drilled in gravel and or asphalt areas off of the roadways. The wells will be drilled to the top of groundwater (30-50 feet bgs, and deeper wells to 60-100 feet bgs). All drilling will be conducted to the best extent possible as far off of the road as possible. Road Closures or interruptions are not expected during drilling operations.

# Ex. 9 Wells

Request access to state owned roadway property to collect surface water and sediment sample adjacent to the River Road bridge over the Morgan Branch Creek. No drilling or well installation required.  
Site Contact: Scott Rust (DELDOT), 23697 Dupont Blvd., Georgetown, DE 19947.
